Coming for Christmas in Kisii, Kenya: Bricks for Kenya - Dormitory in this Spot

This year we are excited to announce the plans to build a dormitory with a school classroom for the orphan ministry sponsored by Reign Dancer Ministries Kenya. It will be a brick building 30' x 20' with a room for sleeping and daily life and a classroom that will be for teaching children and especially sharing the message of the Grace of our Lord and Savior Jesus Christ. It will be built with brick and cement in the fashion or construction of the Latrine that we were able to provide funds for recently (pictured below). A study has been done to prepare the building plans and it will take **25,000 bricks at a cost of \$1.10 per brick**. We are praying that our friends and supporters will be able to help us raise the funds to start construction in January of 2023.

These are some of the things we have been able to help provide this year so far. We are anxious to see what will happen with our new plans for Orphanage Dormitory.

1. Regular Monthly Support
2. Tuition for Pastor's Family
3. Rain Gutters and three 1,000 gallon Storage Tanks
4. Refills of propane for cooking stove
5. Restore Stolen Sound system and Keyboard
6. Building of the Latrine
7. Start of the wall around the Church
8. Repair holes in the tanks due to Sun (proximity to the equator)
9. Covers for the tanks

We are so thankful for your support and prayers this year. With this special goal for Christmas and year end giving, we'd like to build a new Dormitory for the Kisii Ministry team and orphans. We would like to encourage you to buy as many bricks as you can. Maybe you can hold some special fund raisers or drives in your group to help provide for this program. How many bricks can our different friends and groups gather? \$110.00 provides 100 Bricks \$550 provides 500 bricks \$1100 provides 1000 bricks.

I pray you will receive the vision and provide the drive we need to accomplish the task God has set before us. **AND!** *If you can experience the joy of helping our brothers and sisters minister to the children in Kenya who have lost their parents, come along side Reign Dancer Ministries for regular monthly donations to provide a full time teacher and care giver. We can do that for \$750.00 a month. We need to increase our monthly giving from a little over \$700 to almost \$1500. I pray God gives you*

a desire to follow through with this opportunity to help children and families so much less fortunate than we here in America.

Please go to ReignDancerministries.org and read more about our mission, look at the pictures and you can make your donations on line through Cornerstone by credit card and receive an immediate receipt or send them to Reign Dancer Ministries, 5055 E. University Dr. E 15, Mesa, AZ 85205.

Your blessing will help many hungry and needy children receive blessing from on High!

In the Name of Our Lord Jesus Christ I Greet you,

Water for Kenya was our Goal last December and was a tremendous Success! Fifteen people were making four 4 mile round trips a day carrying 5 liters every trip...now they have fresh rain water in 3 1,000 gallon (5,000 liter) tanks. We couldn't provide a \$50,000 bore hole for a well, but God provided for the fresh rain water they needed.
